By-Laws:

Couple of quick rule changes and clarification:

- 1) 12 under during the regular season we are adjusting the pitching rather than not calling illegal pitch we are going to call no pitch. Similar to the obstruction rule, if a pitcher pitches a pitch and the umpire determines it to be illegal he/she will hold out their right arm, if the batter makes contact and its foul then it's a no pitch, but if the player put the ball in play then it becomes a live ball and is no longer a no pitch. This will be in effect for the regular season, but for the playoffs we will HAVE IT CHANGED TO ILLEGAL PITCH AND THE UMPIRE ANNOUCING AS SO.
- 2) The next is a clarification to the call up rule: You are allowed to use call ups during the regular season, but because our playoffs are considered a tournament under ASA rules thus you cannot place players on more than one roster for the same tournament .
